LICENSING & REVIEW

Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Notice for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

35 USC 181: "The Secretary shall not publish an application for a patent which is subject to a secrecy order under this title until the expiration of 6 months from the filing date of such application, unless the Secretary determines that the publication of such application is necessary in the interest of national defense or the health, safety or interest of the public." 35 USC 184: "The Secretary shall not publish an application for a patent which is subject to a secrecy order under this title until the expiration of 6 months from the filing date of such application, unless the Secretary determines that the publication of such application is necessary in the interest of national defense or the health, safety or interest of the public."
